

2024 WORLD DAIRY EXPO

Cattle Show Affiliate Application

The **Cattle Show Affiliate Program**, replaces the Farm Enterprise Program, and allows for affiliated companies or businesses under the same ownership as an exhibited animal's registered owner that is housed at World Dairy Expo, to hang promotional signage in the designated stalling area noted below. An affiliate company or business is marketing products such as, but not limited to cattle panels/gates, genetics, feed vendors, dairy-related products or feed additives (see product category list below). Exhibitors must have 50% ownership in the promoted affiliate company. *The following are NOT required to complete a Cattle Show Affiliate application: Promotion of animals in the string, boarding facilities, trucking or exhibitor farms.

For signage specifications, please reference the [Dairy Cattle Show Premium Book](#). Should you have questions on the Cattle Show Affiliate Program reach out to Lexa Miller, Cattle Show and Contests Coordinator, at lmiller@wdexpo.com.
