Stalling Request Form

The stalling request form must be completed for all animals on grounds. A completed stalling request is needed when requesting stalling "**with**" another farm/exhibitor. **A string is defined as: By consent of all owners, animals are interspersed within a row that must share tack, feed, bedding, clipping space and crew.**

****Review Grounds & Electrical Safety and Feed & Bedding Storage regulations, page 14 and Tents and Displays regulations page 16 of the Premium Book.****

Strings with between 5 and 14 head are limited to 1 tent or booth. Strings with 15 and more head may have 1 tent and 1 booth. Tent/Booth purchases must be made with entries by August 31. Thereafter, Tent/Booth purchases are limited to availability and no purchases after September 9.

Stalling locations will be assigned for animals on grounds only, not number of animals entered. Stalling locations will be confirmed when animals arrive on grounds.

The superintendents may not be able to honor all stalling requests.
